

Kids Need Kiddo! Kiddo! Needs You!

Now, more than ever, we need all families to donate at whatever level they can.

The Mill Valley School District is facing unprecedented state budget cuts and the students in our schools are counting on you to help fill the gap. With your support, we can continue to put kids first and preserve the essential educational programs and services they deserve.

It has never been more important for our community to make a financial commitment to support our children's education.

**Please give as generously as you can.
Thank you!**
