The Kiddo! Business Partnership Program

The Kiddo! Business Partnership Program is a partnership between Kiddo! and local businesses. Every year businesses all over town sponsor a class, or a school, or even the whole district at different levels. Go to www.Kiddo.org for more information on becoming a Kiddo! Business Partner.

These generous contributions help fund art, music, drama, dance, poetry, technology in our schools and save classroom aides. Our Business Partners are truly making a difference.

These local businesses support our schools and we hope that families continue to support them by shopping locally. Please read on as several of our Business Partners have also offered to raise additional funds for our children.

It's Almost Summer and It's Hot...to Give!

Sage Educators is helping raise money for Kiddo! and you can help too by preparing your child for the upcoming school year with summer programs at Sage. For each registration for our summer classes, we will make a \$50 donation to Kiddo!

We have all seen the effects of lazy summer days, but at Sage we capitalize on having the extra time to stimulate, motivate, and ultimately build confidence. This summer, we will offer a vast array of educational opportunities, ranging from Math Bridge classes and Organization/Study Skills, to Poetry workshops and Essay Writing prep. Our programs ensure a smooth transition for your child into the coming school year.

Summer at Sage means your

child will experience a thorough reinforcement of last year's concepts, as well as an introduction to new ones. It is our goal to not only encourage students to take an active role in achieving their academic potential, but to give them the attention and support they need to assure future success.

At Sage, our tutors are recent college graduates who can truly relate to their students. We strive to achieve a positive academic environment and an open air of personal development—this mentoring mentality we cultivate promises an unparalleled student/tutor relationship. 333 Miller Avenue, Suite 1, 415/388-7243. Just mention Kiddo! when you sign up.

Did You Know...

...that when Kiddo! supporters open new checking or savings accounts at **Tamalpais Bank** they can designate Kiddo! to receive the Bank's Community Counts donation? Existing checking and savings account customers continue to earn money for Kiddo! as long as their account(s) remain open at the Bank. If you have an account with Tamalpais Bank, but have not yet designated Kiddo! as your non-profit of choice, just give them a call at 415/526-1160 and let them know that you want to update your account profile(s) to support Kiddo! You can also get more information and the easy-to-complete form at <http://www.tambank.com/communitycounts>.

Tamalpais Bank's president and CEO, Mark Garwood, announced that the Bank will double the funds it allocated for this program during the first six months of 2009. So please consider taking advantage of this program for the benefit of the KIDDO!
