

# Become a **Kiddo!** Volunteer

*Volunteers are integral to the success of our Mill Valley schools and truly make a difference in our children's education. No matter what your talent, there is a way to get involved. No matter how little (or how much) time you have to spare, there is a job you can do! Volunteering is a great way to meet new friends and have fun while positively impacting our schools and children.*

**I want to make a difference!** Please contact me with more information about becoming a Kiddo! volunteer.
