

We're Thankful for EVERY Donor

Thank you for investing in your child's education

Starting in May 2015, the Mill Valley community came together to raise \$3.1 million for the arts and more in the 2015-16 school year. We thank you for your generosity and your continued commitment to public education in Mill Valley.

Your donations to Kiddo! make it possible for over 3,200 kids to experience school the way it was meant to be: full of light and color, movement and music, with many meaningful opportunities for students to grow and thrive, and express their creativity.

We were fortunate to reach our last funding goal despite lower-than-usual participation – just 70% of families gave to Kiddo! in 2015, compared to 75% or higher in recent years.

With a new year, comes another opportunity to make a difference. Our annual campaign kicks off on May 6, 2016, with a suggested donation of \$1,200 per child, to raise \$3.1 million needed to preserve essential programs, teachers, and aides in our great schools for the 2016-17 school year.

We hope that you will join us again this year, at a level that is appropriate for your family. Your commitment helps ensure a complete education in all Mill Valley public schools.

Thank you for your support!

We make every effort to print a complete and accurate list, and we apologize if anyone has been inadvertently omitted.
